The Epirotic Society of Washington DC is dedicated to preserving and promoting Greece's rich cultural heritage and traditional values focusing on the Epirus region in North-West area of Greece. Our mission is to foster a vibrant community that celebrates the unique Greek customs, sounds, cuisine, and history of our ancestors. Through cultural events, educational programs and social gatherings, we aim to connect all Hellenes and those interested in Epirotic culture and traditions, fostering a sense of belonging and pride in our shared identity.

Furthermore, we are committed to serving as ambassadors of Epirotic heritage, actively engaging with the broader community to raise awareness and appreciation for the diverse traditions of Epirus. By organizing cultural exchanges, partnering with local institutions, and advocating for the preservation of Epirotic traditions, we strive to ensure that the rich legacy of Epirus continues to thrive for generations to come.

Epirus is a geographical and historian region in southeastern Europe, standing proudly between the Pindus Mountains and Ionian Sea; our Epirotic Society provides opportunities for presenting regional developments as influenced, by the elapse of time, by geographical factors.

Together, we embrace the spirit of camaraderie and cultural enrichment, embodying the timeless values which define the Epirotes, all over the world.

PHOTOS FROM PAST EVENTS

EPIROTIC SOCIETY OF DC APOKRIATIKO GLENDI ON SATURDAY 2 MARCH 2024 WAS A SUCCESS!

With all the friends that joined our Glendi combined with the music of Achilleas and his group as well as the unique clarino performance by Dr. Nikolaos Gettas, our Epirotic Society Apokriatiko event was a success!

All guests enjoyed the excellent “parea”, tasty food, and the awesome sounds from Greece! Special thanks to Dr. Gettas, for performing some awesome musical pieces from Epirus. As we all know Epirotic music has an immense and rich repertoire, expressing feelings of joy and sorrow, paying tribute to people no longer alive or to those living in far-away lands, and celebrating life and nature!

Our Epirotic Society wishes KALI SARAHOSTI and Good luck on the spiritual journey this Lent!

Following are some pictures from the Apokriatiko Glendi
